## Poly Chart Dividers & Flag Alert Systems

**P**oly chart dividers are heavy duty and constructed with durability in mind. They are durable enough to be used and reused 24/7. These versatile poly sheets are pre hole punched to accommodate 2, 3, and 5 ringed binders, either top or side open. Each tab is printed on one side and each set can be collated to your specifications

### *Flexibility, Durability, Organization*

**W**hy use our Custom Poly Chart Dividers?

- ◆ They allow to you to find important information quickly
- ◆ They reduce stress on records acting as page lifters
- ◆ Hot-foil stamped tabs create permanent identification
- ◆ One piece construction adds to durability
- ◆ They are made with high gauge polyethylene which is quick and easy to clean

### *19 standard colors*

*Gold, gray, beige, manila, white, lime, green, teal, lt. blue, dark blue, lavender, peach, pink, mauve, red, yellow, orange, warm gray, frosty clear.*
