

# LapTop Depot Tower™

## Introducing the newest addition to our LapTop Depot™ product family.

Like the original LapTop Depot™, the Tower™ is designed to store and charge up to 20 or 30 laptops in a secure environment. This larger version, comprised of 3 individual locking 10 capacity Depots™, is perfect for class or training room storage.

- Stores, charges, and secures up to 20 or 30 laptops, 10 in each tier
- UL approved power strip included
- Laminated top provides a smooth work surface
- Locking drawer base for storage of peripherals
- Small footprint means less valuable floor space used
- Optional 5" casters are available for the 20 capacity unit
