SYSTEMS FOR SUCCESS

Storage Cabinets Are Not All Created Equally

If you thought storage cabinets were all the same, think again.

Our storage cabinets offer a real difference. Whether your application involves office, industrial or general storage, you'll be impressed by our Storage Cabinets in their quality construction, good looks and long term performance.

Select from the following types of Storage Cabinets:

- Standard Storage Cabinets
- Deluxe Storage Cabinets
- Jumbo Storage Cabinets
- C-Thru Storage Cabinets

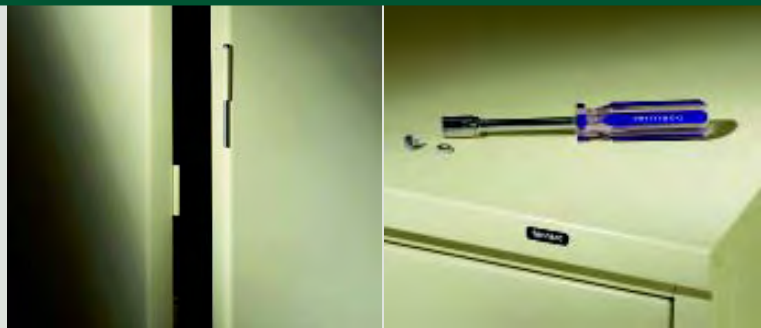

Our powder-coated finishes work with any work environment while offering a long lasting attractive finish. (See back page for representation of available finishes.)

Just compare these standard features that all AFS Storage cabinets offer.

Ready-to-Assemble Option

Our Ready-To-Assemble units are a great way to save money. These quality cabinets offer easy assembly using the included special nut driver. Doors use pin hinges for effortless attachment to the cabinet body, offering exact alignment.

1 Adjustable Shelves

Shelves are adjustable in 2" increments without tools. Our integrated shelf support tabs mean there are no clips or added parts to lose.

3 Reinforced Doors

Each door incorporates an extra wide reinforcement that is welded for added strength and stability.

4 Three-Point Locking

Just turn the handle and lock at three points for maximum security. Nylon guides help make operation quiet.

5 Chrome Handles

Attractive brushed or polished chrome handles allow easy opening and locks door securely with an easy turn.

2 Raised Base

Cabinet Bases use a "box" construction technique for added overall stiffness. The base also keeps materials out of harm's way from cleaning liquids.

Recessed Handle Option

Optional recessed handles for selected models of Standard and Deluxe cabinets offer easy access without obstructions protruding into narrow aisle ways.

Optional Casters

Add mobility to Standard and Deluxe cabinets. Perfect for offices and other areas where materials need to be secured yet accessible to workers at different locations. Adds 6 $\frac{3}{4}$ " to cabinet height.

Jumbo Storage Cabinets

Need extra capacity for those "big" storage problems? Our 48" wide cabinet provides 13 more cubic feet of storage than a 36" wide cabinet. Our specially engineered shelves utilize box-formed construction to accommodate heavy loads even with the extra wide shelf span. Extra wide doors ride on four heavy-duty leaf-hinges while a three-point locking system ensures secure storage for even the bulkiest materials.

C-Thru Storage Cabinets

In today's security conscious environment, the need to know the contents of cabinets may be important to many industries and the greater public at large. To protect the privacy of people in schools, industrial facilities, airports, prisons and more, we have designed a storage cabinet that allows visual inspection and scrutiny without opening the cabinet. Our C-Thru Cabinets are the perfect choice for convenient, secure storage for any office, public or industrial setting.

SYSTEMS FOR SUCCESS

Standard Storage Cabinets

Our Most Economical Storage Cabinet

Our Standard Storage Cabinets offer the best features of our Deluxe cabinet, including heavy-duty construction, three-point door locking mechanism, raised base and built-in shelf support tabs. All at an exceptional value. Choose from assembled or unassembled versions.

Leaf Hinges

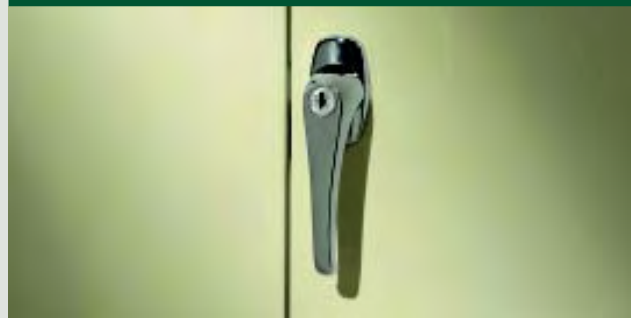

Dual swing-out doors ride on heavy-duty leaf-hinges. Larger size cabinets use three hinges to assure doors stay aligned.

Value & Quality Combined

Our Standard cabinets are built with heavy-duty gauge steel and reinforced doors for long term performance at an attractive price.

Chrome Handle

Attractive polished chrome handle with lock activates the cabinet's three-point locking system for added security.

Deluxe Storage Cabinets

Our Premium Storage Cabinet

Deluxe Storage Cabinets set the standard for quality, convenience and performance for over 30 years. Deluxe cabinets can be used anywhere and stand up to a lifetime of heavy use. This cabinet uses heavy gauge steel throughout and 16 gauge steel for the door frame. The combination makes this cabinet a clear winner over inferior offerings. Choose from assembled or unassembled versions.

Adjustable Levelers & Knuckle Hinges

Two adjustable levelers compensate for uneven floors. For your most demanding storage application, Deluxe cabinets use up to four knuckle-hinges on each door to maintain door alignment on taller units.

Double Handles

Two brushed chrome handles, with one that locks both doors, make door opening and closing easy.

Louvered Back Panel

Louvered back panel provides cabinet ventilation by allowing air circulation.

Jumbo Storage Cabinets

Our Largest Storage Cabinets offering 48" Wide Capacity

Need extra capacity for those "big" storage problems? Our 48" wide cabinet provides 13 more cubic feet of storage than a 36" wide cabinet. Our specially engineered shelves utilize box formed construction to accommodate heavy loads, even with the extra wide shelf span. Each extra wide door rides on four heavy-duty leaf-hinges while a three-point locking system ensures secure storage for even the bulkiest materials. Integrated levelers keep the unit level on uneven floors.

This cabinet uses heavy gauge steel throughout, making it a clear winner over inferior offerings. Choose from assembled or unassembled versions.

Double Handles

Two brushed chrome handles, with one that locks both doors, make opening and closing of the dual swing-out doors easy.

Raised Base

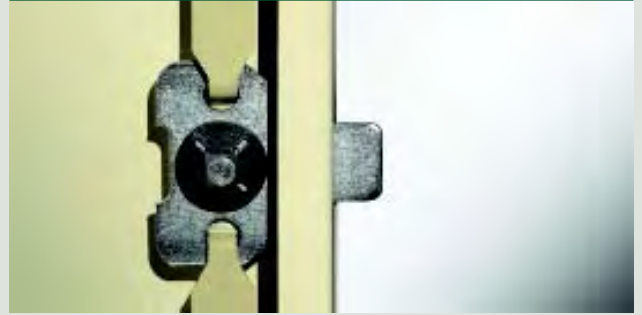

Cabinet bases utilize a "box" construction technique to prevent racking while allowing easy access to the bottom shelf. Integrated levelers compensate for uneven or warped floors.

Reinforced Shelves and Doors

Adjustable cabinet shelves and doors are engineered with box-formed reinforcement construction to accommodate the larger 48" width allowing up to 400 lbs. of weight per shelf.

Three-Point Lock

Its three-point locking system ensures secure storage for your bulkiest materials.

Jumbo Combination Cabinet

The Jumbo 48" Combination Storage Cabinet model offers a wide variety of storage options.
