

Personal Alarms

By FireKing

PS1033

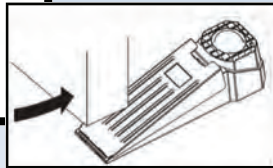

Magnetic Door/Window Alarm. This magnetic contact window door alarm is only 2 1/2 inches long but can scare away intruders with a 110dB sound level. Great for Office Doors, Windows and sliding glass doors. Easy installation with double-sided adhesive tape (included).

- Dimensions: 2.95 x 1.5 x 0.6 inches
- 2 Face Mounting Tape
- 3 LR44 batteries included
- 110dB sound level

PS1034

Door Stop Alarm. They might pick your lock, but they cannot get inside of your office, hotel room, apartment, or home when secured by the Door Stop Alarm. If an intruder attempts to enter, the alarm will sound and the unit will wedge underneath the door. The wedge-shaped design and non-skid pad on the bottom of the unit will prevent the door from opening.

- Dimensions: 5.7 x 1.69 x 1.57 inches
- 9V battery included
- 110dB sound level

PS1035

Compact Personal Alarm. This 3 in 1 compact device slips easily into a pocket or purse. Item functions as a LED flash-light, panic alarm and a passive infrared (PIR) motion detector alarm. Easily activate panic alarm by pulling top switch. Includes convenient carrying strap.

- Dimensions: 2.63 x 1.49 x 0.94 inches
- 3 LR44 batteries included
- 110dB sound level
- Velcro mounting strips included

All items are sold in master cartons of 12
