

Key Cabinets

By FireKing

New Hercules Key cabinets with electronic locking devices add higher security at an affordable price. Welded heavy gauge steel with full piano hinges. Numbered white key tags with chrome plated steel hooks. Key Control Chart included to record lock and/or key location for better organization. A supply of yellow key loaned tags are included to identify your current users of secured keys. The Electronic Locks provide up to 8 number key pad codes for enhanced security. Easy open lock and door handle. Alarm after 3 wrong entries and automatic lock out. 2 manual override keys for emergency opening. Low battery indicator. Batteries included.
